

渋谷のみなさんとともに
フィールドをつくり続け、
産業と文化の発展を
あとおします。

*Tokyo Corporation, along with other stakeholders of Shibuya,
continuously strives to foster industrial and cultural growth by creating further fields.*

心躍る世界を、渋谷から。

東急

Deliver the value cycle to foster the emergence of new industries, drive corporate growth, and ultimately lead to further development of Japan. Continue to create fields where new culture emerges through collaborative efforts with the city and its stakeholders. Support today's changes in perspective and behavior towards working in or visiting an office. Make consistent efforts to create an environment where everyone can work as they hoped.
